

CERTIFICATE

OF ACHIEVEMENT

PROUDLY PRESENTED TO
Sayantan Maji

For successfully completing all requirements of the program

AI FOR ENGINEERS

“

Demonstrated ability to design, build, automate, and deploy AI-powered workflows, applications, and engineering solutions.

LEVEL II

BUILD.
AUTOMATE.

INNOVATE.
CREATE.

SOLVE.
TRANSFORM.

Date of Completion

CERT-9IB1WQ-TDMUYV
Certificate ID

Blockchain Secured
Verified

SCAN TO VERIFY

This certificate is verifiable
and digitally secured.

PRACTICAL EXPERTISE

Apply AI tools and techniques to solve real-world engineering challenges.

AI SOLUTION DESIGN

Design intelligent workflows, applications, and systems with AI at the core.

AUTOMATE & DEPLOY

Build, automate, and deploy scalable AI-powered solutions.

INNOVATE CONTINUOUSLY

Drive innovation through experimentation, iteration, and continuous improvement.

DELIVER IMPACT

Create measurable value and accelerate engineering excellence.
